Defibrillator familiarisation session

The session had taken place and had been well attended.

There had been another incident at the Church and confusion with the code given by Yorkshire Ambulance.

Cllr Wardale had contacted them and had been reassured that the problem was now resolved.

Cllr Peirson suggested that Graeme Stuart MP should be contacted to highlight the problems that have occurred and to somehow try and check the system.

**Resolved** – contact Graeme Stuart and Yorkshire Ambulance.

Standing Orders suspended

**War Memorial**

Mr Scully and Mr Smith outlined his involvement in the application to the War Memorials Trust for 75% of costs to refurbish the War Memorial.

They needed permission to use the PC bank account and the remaining contribution for the work. Two quotes so far for £1450 and £1926.

Mainly cleaning but monitor it for any leaning. If the PC felt that they could not contribute, then there would be fundraising.

**Resolved** – to get the updated quotes and allow the PC bank account to be used. Possibly publicise on the website. Agreed to fund the work.

The Chair thanked Mr Scully and Mr Smith and they left the meeting.

Standing Orders were re-instated

**Speed survey comments**

Mr Leighton had responded. He highlighted the fact that the locations of the sensors had been chosen by the PC and he is satisfied that the surveys were carried out in the same fair manner as other sites.

Resolved – Cllr Pollard agreed to feed back the information.
