Sportsfield Management Committee

**Pavilion Refurbishment**

The roof has now been replaced. The disabled toilets construction is in progress and the windows will be replaced shortly.

The drainage work has been sorted. The approved contractor began to add additional constraints to delivering the work and therefore another contractor has been found who will match the original quotation. A SFMC meeting is to be arranged shortly and to discuss organising an open day to publicise the new facilities.

**Container on Sportsfield**

The container has been removed by a scrap merchant and most of the non-metal mess has been removed. The Cricket Club have been contacted to ask them to clear up the remaining mess and they will be billed for the skip hire.

More primroses and bluebells are being planted and the addition of bat boxes is also being planned. Cllr Baker had attended a Scout meeting with a Bat Charity to publicise the new boxes.

The meeting ended at 8.20 pm
