09/19/46 ERYC Matters

(a) Highway Matters

Site line Highgate Allotments

A resident had copied the PC into an email he had sent to ERYC. The plot holders were concerned about the site lines when using the lay by adjacent to the site and requested that the trees are cut back.

Resolved – to see what the response is from ERYC and suggest they turn around further up the road where it is safe and then park with the flow of traffic.

Hornsea 4 potential traffic through village

A resident had forwarded an email they had sent to Hornsea Project Four requesting that any heavy traffic from the project is not sent through the village.

Resolved – to monitor the situation.

(b) Community Emergency Plan

This plan needs updating and a draft copy had been circulated.

Resolved – to read it through and discuss next month.

(c) Parish Council Representative on Standards Committee

Cllr Dickinson had expressed an interest in being nominated for the vacancy.

Resolved – to nominate Cllr Dickinson and submit his application.

(d) Joint Local Minerals Plan update

Information had been received and circulated.

(e) ERYC Newsletter proposal

Member of the ERYC Cabinet were planning a newsletter to be emailed directly to Parish Councillors quarterly and had requested personal email addresses.

Resolved – this was agreed.

(f) Bishop Burton Road Development

Confirmation had been received that the new development on Bishop Burton Road would be called Lightowler Close.

(g) Flooding in the village

Concerns were expressed about the recent flooding on Main Street after heavy rain and Cllr Huntsman outlined some of the recent problems. There was a general discussion about the issues in the village to inform the new ERYC Councillors.

A resident from Elm Drive had emailed her concern about the drainage problems and sewage coming up through the drains after the last incident of heavy rain. She had contacted Yorkshire Water, but hoped the Parish Council could also put some pressure on them.

ERYC had offered to do a walkabout to get more information about the problems and this had been agreed and dates were being arranged.

Resolved – to contact ERYC initially and inform the ERYC Councillors if there are any issues.

To have an informal Parish Council walkabout first to highlight any issues.

(h) East Riding Local Plan Review

The original number of sites identified had reached the allocation, but other sites had been added. These now included CHER6 at the bottom of the Sportsfield Road and CHER4 on Etton Road

There were flooding issues on a number of the sites and some were outside the village boundary.

Comments had to be received by 20th September 2019.

Resolved – due to time constraints it was agreed to form a committee to discuss the planning issues and pull together a response.

Cllrs Sutcliffe, Jeffrey, Baker and Peirson and possibly Arandle agreed to meet at 3pm on Sunday 15th September 2019.
