

Minutes of a meeting of Cherry Burton Parish Council held on Tuesday 12<sup>th</sup> October 2021 at the Sports Pavilion

Present:- Parish Councillors Peirson (in the Chair), Arandle, Baker, Dickinson, Huntsman, Jeffrey, Lindsey, Sutcliffe, and Wardale.

Clerk - J.Wardale

ERY Cllr Greenwood

1 member of the public

10/21/59

Apologies for absence

None

10/21/60

Declarations of Interest

Allotments - Cllr Peirson and Cllr Wardale

Tennis Club - Cllr Baker

10/21/61

Minutes of the meeting held on 14<sup>th</sup> September 2021 were agreed and signed as a complete record.

10/21/62

Matters Arising not covered on the Agenda.

**Memorial bench**

Cllr Lindsey is still to liaise with the Gosling family about the bench location.

**Separate PC meeting to discuss policies and procedures**

It was agreed to have a separate meeting to discuss and update policies and procedures, as time was limited at the monthly meetings.

**Resolved** – to have the meeting on Wednesday 27<sup>th</sup> October 2021 7.30pm at the Pavilion.

**Trees on Village Green**

A letter has been drafted to ERYC upholding the concerns of Mrs Webb about the large trees next to her property.

**Burglary on Main Street**

There had been a recent burglary from a garage on Main Street and information had been circulated by residents about this on the village Facebook page.

10/21/63

ERYC Matters

**(a) Highway Matters**

There had been a road traffic accident on the bends at the back of Bishop Burton College. As the police were not involved it was unlikely to have been recorded at ERYC.

**Standing orders were suspended**

Mr Tomkys asked if any details were known about the accident. He felt that any accidents or incidents need to be reported to ERYC to try and improve safety on the road.

**Standing orders re-instated**

Cllr Greenwood also felt that she should be involved to add more weight to the arguments.

**Resolved** – to contact ERYC and report the accident.

(b) Village flooding and drainage

Following the discussion about contacting the Consumer Council for Water regarding the ongoing flooding and drainage issues on Canada and Elm Drive, there was a discussion about following the protocol outlined.

**Resolved** – to draft a letter of complaint to Yorkshire Water and await their response prior to escalating to the CCW.

(c) Etton Road verges

Following concerns from a resident about the verges being eroded which had been forwarded to ERYC, they had contacted the resident as they were unable to do anything to help the situation.

(d) Public Space Protection Order

Cllr Wardale reported that he had submitted a Dog Exclusion application for the Sportsfield, but did not have any direct evidence about dog problems on the Village Green, and there were other criteria that would be difficult to meet with that area.

Cllrs Wardale and Baker reported an incident with a female dog walker who refused to stop walking her dogs on the Sportsfield until the PC had sorted the school congestion problems on Main Street.

There was a discussion about putting an article on the Facebook page to try and deter dog owners from walking their pets on the Sportsfield and encourage them to use the dog walking field and Nature Walk instead.

Cllr Lindsey suggested putting some evidence of the effects of dog faeces on health.

**Resolved** – Cllr Lindsey agreed to do some research on the effects of dog faeces on health for the Facebook page.

(e) Ward Councillor Update

Cllr Greenwood reported back from Middleton on the Wolds who are having similar problems with speeding cars and concerns about new housing developments.

10/21/64

Correspondence received:-

**Defibrillator issues**

The equipment on the Sportsfield has required twice this month, but the operator did not have any knowledge of the site. A new system called The Circuit has been introduced and there may be issues with this.

Cllr Wardale had contacted them and was awaiting a response.

**Update from KCOM about expressions of interest re broadband**

KCOM had received about 118 expressions of interest up to today which is 28% of counted properties.

**Resolved** – to continue to encourage residents to register to get to the 30% threshold.

**Email from Newbald Parish Council**

Further to the comments from ERY Cllr Greenwood (above), Newbald PC had written to all local Parish Councils expressing their concern with their relationship with ERYC. Two controversial planning applications had been approved, despite local opposition, and they already have similar issues to Cherry Burton with drains overflowing with sewage after heavy rain. There was a discussion about the value of meeting with other Parish Councils to put more pressure on ERYC.

**Resolved** – Cllrs Peirson and Lindsey agreed to investigate meeting with representatives from Newbald and other PCs.

10/21/65

Finance

Accounts for payment

The following payments were agreed: -

J.Wardale	Salary & expenses Sept. (includes Poppy Wreath)	£ 418.83
C. Exelby	Pavilion Cleaning Sept	£ 50.00
J.Wardale	Daffodil bulbs for village entrance	£ 50.00
CFI Flooring	New Pavilion floor second payment	£ 2117.77
PKF Littlejohn	Annual audit fee	£ 360.00
Fosse	Contribution to tennis court clean	£ 1200.00
Eon	Sportsfield Approach Rd Supply	£ 62.54
ERYC	Sportsfield Half year rent	£ 1300.00
Cllr Baker	Supplies for SFMC	£ 60.99

**Budget three monthly update**

The budget for the year had been updated and there did not seem to be any issues.

**Result from audit**

The accounts had been received back from the External Auditor and had passed with one comment. The statutory notice had been displayed on the noticeboard and website.

10/21/66

Village Infrastructure

**Planning**

21/03429/PLF Erection of 4 dwellings on land NW Hagnaby House, 30 Highgate – the plans had been altered and the buildings no longer crossed the village boundary. Cllr Baker had contacted ERYC to see if any commuted sums would be available, but the person contacted did not know.

**Resolved** - Write to planning officer dealing with the application to ask if commuted sums would be available.

### **Sportsfield and Pavilion**

Cllr Baker reported that the coin meter in MUGA has been vandalised and lock had to be replaced. The timing element had also been displaced but has been repaired. Cllr Sutcliffe suggested putting a sign on indicating that no money was inside and Cllr Baker confirmed that he would be doing this.

The Tennis Club planning application for floodlights has been approved and funding would now have to be sourced.

The new flooring has been laid in the Pavilion and the new footpath around the edge of the car park, to improve pedestrian safety, is due to start in early November.

Bishop Burton College students are now coming up regularly to work on the Nature Area.

### **Playground**

A meeting is due to be held with a representative of an equipment company to discuss possible new equipment.

### **Allotments**

The Clerk reported that there was currently no waiting list for plots and the only other expressions of interest were from outside the village.

**Resolved** - there was a discussion, and it was agreed to continue with the policy that vacant plots should be prioritized for residents and to advertise availability on the noticeboard and website.

10/21/67

### Community Issues

#### **Pond**

There was a discussion, and it was agreed that some tidying up around the pond is needed before the Christmas lights are put up.

There was also discussion about the date for the switch on ceremony.

**Resolved** – 11<sup>th</sup> December was agreed as a provisional date for the switch on ceremony, with the lights and tree being put up on the 27<sup>th</sup> November 2021, weather permitting.

10/21/68

### Parish Council Document Review

Separate meeting to take place

10/21/69

### Personnel Issues

None

10/21/70

### Agreed items for publication

None

The meeting ended at 9pm.
