

Summer E – Bulletin

East Riding of Yorkshire

Welcome

Happy summer everyone and welcome to my E Bulletin number 3. It's a little shorter this quarter due to summer holidays and recess but I hope you will find it equally interesting.

Your opportunity to Meet the Commissioner

Some of you will recall that we held a series of 'Meet the Commissioner' meetings across the East Riding last autumn which provided the opportunity for Town and Parish Councillors, and Clerks to come along and meet the Police & Crime Commissioner, Keith Hunter, listen to him speak about his work and the work of his office and also ask questions.

The meetings were well attended but, due to the size of the East Riding, there are areas we were unable to cover so we have arranged a second series of meetings. They are:

Monday 2nd September – Rudston Village Hall
26, East Gate
Rudston,
YO25 4UX
7pm to 8.30pm

If you no longer wish to receive the newsletter, please email Deborah.fagan@humberside.pnn.police.uk

- Thursday 5th September – Warter Village Hall
Addlekeld,
Warter
YO42 1XR
1.30pm to 3pm
- Thursday 3rd October – Patrington Village Hall
Church Lane
Patrington
HU12 0PT
7pm to 8.30pm
- Thursday 7th November – Brandesburton Village Hall
Catwick Lane
Brandesburton
YO25 8RY
7pm to 8.30pm

You are invited to attend any one of these meetings, the only thing I ask is that you let us know you are going by emailing mia.jones@humberside.pnn.police.uk who is the OPCC Engagement Apprentice and is co-ordinating these meetings. We look forward to seeing you.

Community Speed Watch goes Live in the East Riding

Friday 2nd August saw the launch of Humberside wide Community Speed Watch in the East Riding, with a team of trained volunteers taking to the roadside to monitor the speed of traffic on the Main Street in Bubwith.

The scheme has been funded by the Police & Crime Commissioner who is keen to enable communities to be pro-active in their communities. The new Co-ordinator, Wayne Goodwin has worked hard to get the scheme up and running and is focussing his initial efforts in the rural areas of the East Riding and North Lincolnshire. There has been a lot of interest in the scheme from Parishes but not all are able to participate as either the locations aren't suitable, safe or already have some form of enforcement. If you are interested in taking part, you will need:

- A minimum of 6 volunteers
- A specific site which has a path wide enough for 3 people to stand safely
- Clear visibility in both directions
- A speed assessment carried out by ERYC's Highways that is less than 5 years old
- For more information, contact the Community Speed Watch Co-ordinator, Wayne Goodwin by emailing Wayne.Goodwin@humberside.pnn.police.uk.

Neighbourhood Watch and Farm Watch

I am working closely with East Riding Council and the Humberside Police Wildlife, Rural and Heritage Crime Team to develop a network between Neighbourhood Watch and Farm Watch Groups to enhance communications across the rural areas of the East Riding. Both of these organisations do brilliant work in making our communities safer but often

If you no longer wish to receive the newsletter, please email Deborah.fagan@humberside.pnn.police.uk

don't know the other exist or are unclear what each other do. We will be planning a series of Meet the Commissioner meetings aimed at Neighbourhood Watch and Farm Watch Co-ordinators over the winter months so watch this space.

Rural Safety Advisory Panel

In March 2018, Humberside Police hosted a Rural safety Conference which brought together residents and representatives of rural areas across Humberside to look at a range of issues affecting community safety.

The conference was very well attended and resulted in a group of volunteers forming a Panel which meets bi-monthly with Police, Fire and Local Authority Officers who work across Humberside. The aim of the Panel is to consider and lobby all matters of Rural Community Safety and they are looking for more volunteers. If you would like more information, please contact me by emailing Deborah.fagan@humberside.pnn.police.uk or by telephone on 07464985366.

Community Speed Watch – what's it all about?

Community Speed Watch is a community lead scheme to monitor vehicle speeds in your area, nothing more nothing less. The volunteers who take part are all trained by an approved Police trainer in the use of a speed detection device.

Once trained the volunteers will record the registration numbers of vehicles travelling in excess of the speed limit. Once they report their findings to the Community Speed Watch Coordinator at Humberside Police, a series of warning letters are issued to the registered keeper of that vehicle, culminating in a letter being hand delivered by a Police officer and the possibility of the offending vehicles details being added to a database for future enforcement by the Police.

Each team is issued with portable signage, hi viz vests and a speed detection gun. So if you see a team of 3 people at the side of a road, a bright yellow sign stating '**Community Speed Watch Activity**' please

If you no longer wish to receive the newsletter, please email Deborah.fagan@humberside.pnn.police.uk

check your speed and support the teams who are trying to make your community safer by slowing people down.

Humber Teaching NHS Foundation Trust

The East Riding Community Link Service (Social Prescribing) provided by Humber Teaching NHS

Foundation Trust is a FREE service aimed at improving Psychosocial and social economic pressures placed on you that then impacts your health and wellbeing, our aim is to make positive

lifestyle that will result in sustainable change for your emotional, mental, social and physical health. Every East Riding GP practice has a dedicated Community Link worker on hand to listen and support you on a 1-1 basis signposting to nearby services and groups that can aid your lifestyle change. So whether you need help with welfare and debt management, relationships, housing, emotional wellbeing, you are a carer or you need help and guidance to navigate yourself through a complex health and social care system we can help you.

For further information or to book an appointment please call our friendly team on 0800 9177752 or email hnf-tr.socialprescribing@nhs.net

Community Safety Partnership Planning to March 2021

The East Riding Community Safety Partnership (CSP) brings together statutory and voluntary agencies who, collectively, have the responsibility to oversee community safety in the East Riding. You may recall in my first E Bulletin in January, I asked you all to tell me what you considered to be your top three community safety issues. Unfortunately, the response wasn't very high but, taking those returns into consideration, the CSP is now preparing it's work plan up to March 2021

If you no longer wish to receive the newsletter, please email Deborah.fagan@humberside.pnn.police.uk

and is suggesting the following outcomes on which to focus their efforts. On behalf of the CSP I welcome any comments you may have on the following:

Making the East Riding of Yorkshire Safer

We want the East Riding to be a place where:

People feel safe and are safe

- Victims feel well supported
- Less offending
- There is less crime
- Communities Protect Themselves

Our places where people live, work and visit are safe

- People know how to keep themselves and others safe
- People Travel Safely
- People keep their homes safe
- People work in safe places

We make a difference by working together

- We work together to make the most every opportunity
- Communities trust us and understand how we work together We know and understand our communities and share information
- All of our staff take every opportunity to keep people safe
- People know how to use our services

Please email me on Deborah.fagan@humberside.pnn.police.uk and I thank you in anticipation.
