The members of Beverley Westwood Lions Club would like to thank all the people from Cherry Burton who supported their first Beer Festival earlier this month.

Unfortunately, the weather was not very good but the event went very well and there was a happy community atmosphere.

A small amount of money was raised which will be used to fund local projects, and the members are already planning a similar event for next year.

Beverley Westwood Lions Club has only been in existence for four years, and would welcome new members. The Club meets at the Bay Horse at 7.30 pm on the second Tuesday of each month, and invites anyone who would like to find out more about the Lions to come along to any meeting.
