Remembering by Revd Richard

My memory isn't what it used to be. Sometimes I start saying something and the words just don't appear and I end up using 'thingy', 'you know', and other placeholder phrases instead. It is especially embarrassing when I can't remember someone's name or get it wrong right in front of them.

We all have trouble with our memory sometimes. I am sure you have those moments when you share a memory and your partner/wife/husband/friend tells you 'thats not what happened' even though you are certain of it.

We have All Saints Day and Remembrance Sunday at this time of year and both are focused not just on 'memory' but 'remembrance'. At times of remembrance we make space to reflect on the impact of certain people and events; we are thankful for the good and make a commitment to not repeat the bad. We don't just remind ourselves of wars fought long-ago but the hard-won lessons conflict and loss have taught us as individuals and a country.

CHERRY BURTON RAINBOWS & BROWNIES NEEDS YOU!

Rainbows is a division of Girl guiding for girls aged 5 to 7 before they are old enough for Brownies. It is a space for girls to 'learn by doing' in a safe space. We do games, sports, arts and crafts and have fun!, Cherry Burton Rainbows was the first to open in Beverley over 25 years ago. Sadly, for various reasons, some of our Guiders have had to step down over the past year. In order to keep the unit going we need preferably 2 people to join our team of volunteers.

The programme is structured, full training and support will be given and experienced Guiders can work alongside you while you find your feet if required. Currently Rainbows meet at the Sports Pavilion on Tuesday nights from 6 - 7 pm

For more information please contact Sue Smith at
smihugh@aol.com

PLEASE HELP US TO SAVE CHERRY BURTON RAINBOWS! THANK YOU.

CHERRY BURTON BROWNIES NEED YOU!

A new leader is also needed for Brownies.

Please Pray For...

... All who are lonely and isolated as the winter nights draw-in and days get shorter.

... Those who work in the care sector as their vital work becomes even more important during the cold winter.

... Those in education as they finish their first terms in this new academic year.

... All who work in the emergency services;
that they will be kept safe whilst responding to desperate situations and accidents.

CHRISTIAN AID WEEK 2021

As in 2020 it wasn't possible to deliver a Christian Aid envelope to every home in the village. However, a few envelopes were distributed and those who donated in this way gave £834 in total including some gift aid.
Thank you for these donations and to those who donated online. Globally, this will help some poor families living in poverty and so build a brighter future for them.
(Thank you also to Costcutter in the village for being a drop-off point for envelopes.)

Messy Church at St Michael's

A huge thank you for all who made October's Messy Church really great fun! We all had a brilliant time being thankful to God for what we have and who we get to share it with.

For November and December the leaders at Messy Church are very aware of the rising COVID cases we have in the region at the moment and that the forecasts are saying these are most likely to continue to increase. Therefore we are going to be offering Messy Church in a bag for November and December.

You might remember the ones we delivered during the Lockdowns and so until the New Year we are putting out a new bag each month with crafts and stories and games on that month's theme.

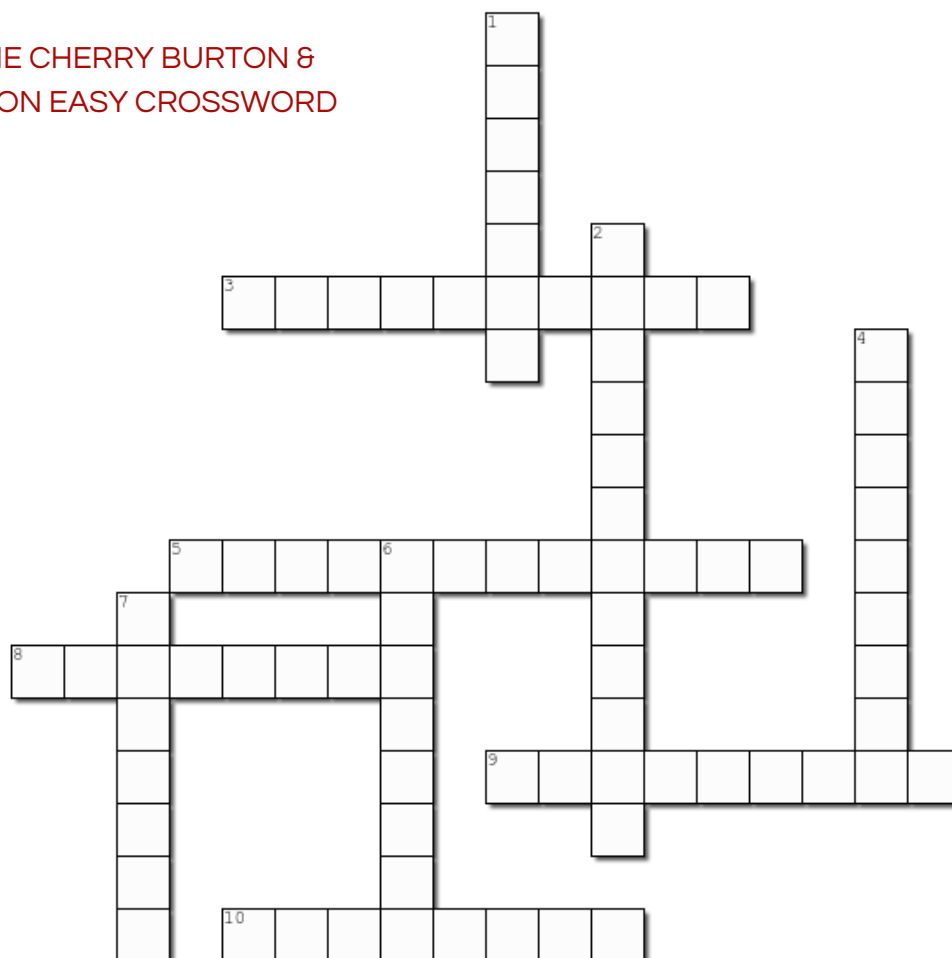

For November we are delivering these to those who are on our Messy Church contact list and making some available for collection from the back of Church for those who may not be on the contact list yet. (St Michael's is open every day from morning to dusk.)

On the 5th December we are opening the Centre from 3pm to 5pm for those who would like to collect their bags and possibly stay at a family table, have a drink and a snack, whilst they do some of the crafts together. If you are not able to make that day and time the Messy Church in a bag will be available to collect from St Michael's any time the Church is open.

We are very grateful for your understanding as we all navigate the best and safest way forward together.
