

Cherry Burton Sports Field Management Committee

Meeting at the Pavilion 30 August 2016

Present: P Arandle, T Baker, T Jenkins, M J Wells

Apologies: P J Wardale

16.08.01 Equipment Room

- Members inspected the room which had been altered and from which various items had been removed
- The present layout was acceptable and members hoped that the room would continue to be kept into such a tidy state

16.08.02 Changing Room3 /Disabled Toilet Access

- TB described various options for installing a toilet suitable for people with disabilities
- CBCC and CBFC were anxious that the changing room facility be retained for officials and/or female players
- Members did not consider it desirable for internal as well as external access since current standards did not permit access through changing areas
- TB will convene a meeting with the architect to discuss proposals at an early date

16.08.03 Commemorative Seat – the late Dave Lee

- Members considered possible sites and agreed a location approximately equidistant from the main doors and the lounge external door
- It should be set in a concrete base
- TJ will inform appropriate persons of the decision

16.08.04 Container

- CBCC had written to SFMC to say that it did not wish to acquire the container which was unsuitable for its needs
- Members inspected the container, internally and externally and resolved not to acquire it and to request its removal from the sports field
- SFMC secretary to write to persons involved with locating it on the sports field and request its removal as soon as possible

16.08.05 Drainage Matters

- TJ described his proposals to carry out some short term work on the sports field surface. He will obtain more details and submit them to the next full meeting
