Highgate Pavement

ERY Cllr Pollard had consulted with Cllr Parnaby and it was felt that she had done as much as she can trying to get the pavement extended on Highgate.. In the current financial climate it is unlikely that the situation could be resolved at the moment.

Cllr Baker had been in touch with the Humberside Safety Partnership, but they had refused to do a speed check due to the good safety record on Highgate.

Cllr Peirson reported back from the Police and Partner meeting.

Resolved – Cllr Baker agreed to contact him and suggest a site visit to discuss the situation and to liaise with a representative of Cherry Burton School.
