10 **FLOODING**

The Chair advised that Yorkshire Water had completed lining works in the village which they had hoped would fix the problem of surface water accessing the sewars. He explained that the success of that programme would only be known when the ground water levels were very high as seen in previous years.

11 **OTHER VILLAGE MATTERS**

A member of the public queried whether there was any update on the development of the Dog Walking Field. The Chair advised that the Parish Council did not have any further update.

The Chair advised parishioners that a new electricity substation was due to be built shortly and the Parish Council were working with Northern Powergrid to provide suitable screening.

There being no further business, the meeting closed at 8.05 pm.
