

St Michael & All Angels Cherry Burton

Newsletter April 2020— May2020

“Teacher, which is the greatest commandment in the Law? Jesus replied: Love the Lord your God with all your heart and with all your soul and with all your mind. This is the first and greatest commandment. And the second is like it: Love your neighbour as yourself. All the Law and the Prophets hang on these two commandments’

Matthew 22:36-40

This Newsletter comes at a very difficult time for our community, country and world. Many of us have seen wars, known financial crashes, floods and other events and circumstances that shake us; but not one of us have been in the midst of a pandemic before. This is new to all of us and it can be frightening, destabilising and leave many of us panicked and vulnerable. This is why I think the old and well-known words of Jesus, are so much more important today. Many of us have asked the question ‘how can I help?’ or ‘what do we do?’ in light of this Coronavirus pandemic. The answer might be simple – Love your neighbour. Being watchful of others around you seeing their needs and doing our best to provide care and support for each other. Not for our sake alone but out of love and compassion for others.

Neighbourly love is at the core of what Jesus was all about. Seeing each other as individuals with the same dignity and importance as each other. Belonging together and showing that in our actions. There is a flyer in this edition that explains some of the ways our community is loving our neighbours. Please do make use of what is being offered and contact the Cherry Burton COVID-19 Support Group to offer your help and assistance where you can. We belong to each other in community and so let us love each other through community.
