WHAT IS TRUTH?

WRITTEN BY REVD RICHARD

Jesus said, "In fact, the reason I was born and came into the world is to testify to the truth. Everyone on the side of truth listens to me." Pilate retorted, "What is truth?"

The now immortalised words of Pontius Pilate, the 5th Roman governor for the province of Judea, which was a fractious but politically and strategically important region within the Roman Empire. Pilate served under the Roman Emperor Tiberius from circa 26-37 CE and his most significant contribution to the world is that he presided over the trial of Jesus and ultimately ordered his crucifixion, though he repeatedly said that he could not find Jesus guilty of anything he was being accused of.

As I read Pilate's words I hear a wistfulness that belies a deeper burden within Pilate's heart. How many times has he had to compromise the truth and 'play the game' in order to rise through the political ranks of Tiberius' empire? Pilate was the adjudicator for a region that had seen numerous attempted uprisings within the population. In fact, he had in his prison cells a murderer and insurrectionist by the name of Barabbas, who would later, because of these events, find infamy when Pilate released him, the criminal he had convicted, in order to crucify the man he was convinced was innocent.

The times we live in are complicated and even today 'truth' is often the first sacrifice on the altar of convenience. We might say that 'there are many truths and they sometimes all contradict one another', so what is truth? Pilate's words were a response to Jesus saying that the very reason he was born was to testify to the truth. So what truth did Jesus testify to?

By Jesus' actions and words, and from the way others responded to him, it would seem that the truth is that everyone matters: the forgotten, the lost, the sick, the criminal, the victim, the religious and nonreligious, Pilate and Barabbas, and of course you - anything that says otherwise is a lie and not the truth.

ST MICHAEL WANDERERS

we are a local walking group,
based in Cherry Burton, but not restricted
to, who meet once a month for a variety of
mainly countryside walks.

All comers and ages are welcome. Each
walk is between 5-8 miles in length,
although a reasonable degree of fitness is
required.

The walks are as much about the social
aspect as the walking and we usually enjoy
some refreshments as part of the exercise!

WOULD YOU LIKE TO MEET PEOPLE AND MAKE NEW FRIENDS?

Would you like to learn new skills?

Would you like to support your local community?

Why not consider volunteering at The Open Door Community Café?

We are looking for community spirited people to join our friendly team of volunteers. The café is open each Friday and you can volunteer to fit around your own life and activities – there are no set hours, we have a monthly rota where people offer a time that suits them - this could be as little as a couple of hours a month.

Full support will be given and you can choose which jobs you would like to do, including serving customers, washing up, clearing tables, preparing simple lunches and snacks etc. Barista training can also be given.

If you would like to find out more call Howard on 07703435468 or Sue on 07816963510
Or pop into the café on a Friday between 10:00 and 3:00, try our delicious coffee and cakes, and have a chat with one of our volunteers to find out more.

1ST CHERRY BURTON GUIDES

Cherry Burton Guides started the term with a sleepover at The Deep along with over 100 other Guides, Brownies and Rangers. We had a really lovely time with a guided tour of The Deep, crafts and activities. It was wonderful to start the day with breakfast overlooking the Humber as the sun came up. Three of our Guides made their Promise in the shark tunnel with a shark draped over the top of them! Guides have been busy this term with various activities and finished with guests invited to a Mocktail party and games, run by the Guides themselves. Cherry Burton Brownies have been doing their 'Explore' Skills Builder. They have learnt about the Country Code, map reading and have made their own compasses. On the last evening of term we had a walk round the nature trail at the side of the sports field and presented the Brownies with their badges. Cherry Burton Rainbows are restarting on Tuesday 3rd May. Everyone on the waiting list should have been contacted by now. There are still some places available. The leaders would also be grateful for some more adult help, either regular or occasional. For details of all our units and volunteering opportunities, please visit Girlguiding.uk and follow the Join Us links.
