

## **Cherry Burton Sports Field Management Committee**

### **Inspection 7 June 2016**

Present: T Baker, I Kelly, P J Wardale, M J Wells

#### **16.06.01 Inspection**

- See attached schedule

#### **16.06.02 Pavilion Guttering and Drainage**

- TB described discussions with two contractors and the methods to be used
- Agreed that TB refer back to both contractors for a more detailed description of the work and, if possible, a sketch plan of the proposed soak away arrangements
- TB had discussed this with Yorkshire Water

#### **16.06.03 Proposed Outdoor Gym Equipment**

- TB reported on discussions with the supplier and ERYC
- Agreed that TB obtain details of inspection and maintenance arrangements and that, if scheme goes ahead, he contacts the contractor who deals with the main Street playground equipment to discuss arrangements for the sports field
- Agreed that he would provide details to enable MJW to obtain letters of support from existing users
- Probable costs were £13,600 – supplier would submit grant application – ERYC would provide grant of £2,000 leaving the village to find the remainder (£1,600) which could be split between CBPC and SFMC.

#### **16.06.04 Defibrillator**

- CBPC members to raise the possibility of providing one at the sports field

**MJW**
